

YUANMIN MAO (毛元敏)

◇ Email: maoyuanmin@mail.ustc.edu.cn ◇ URL: <https://yuanminmao.github.io>

Department of Astronomy, University of Science and Technology of China

EDUCATION

Master Student in Astrophysics

Sep 2023 - Aug 2026

Department of Astrophysics, University of Science and Technology of China

Hefei, China

- Advisor: Prof. Wen Zhao

Bachelor of Engineering in Instrumentation

Sep 2019 - July 2023

School of Physics, Wuhan University

Wuhan, China

- Advisors: Prof. Xilong Fan & Prof. Shaoqi Hou

RESEARCH INTERESTS

Search for gravitational waves Electromagnetic counterpart

Use Standard Siren to understand the history of the expansion of the universe

Test cosmological Models with Different Probes

SKILLS

Languages Chinese (native), English (fluent)

Programming Python, MATLAB, Mathematica

Packages Matplotlib, NumPy, Pandas, SciPy, Cobaya, Getdist, emcee, CosmoMC, esr

Document Creation Latex, Markdown, HTML

TEACHING EXPERIENCE

Teaching Assistant, *General relativity*

Fall 2024

Department of Astrophysics, University of Science and Technology of China
